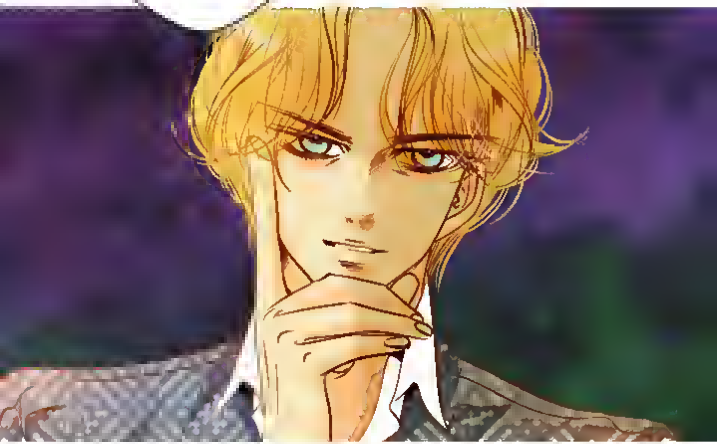
Ah...
So you mean to say that you will not tell me where your son is... right?

He went there for an important business and I want him to focus on his work.



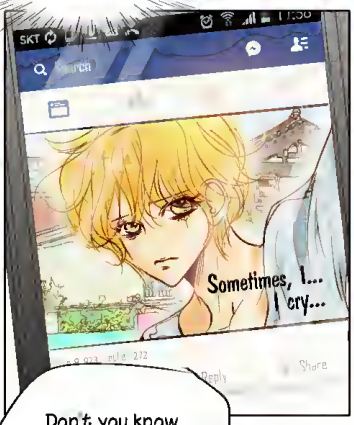
And it is a little strange that you are involved with Sanok... Shouldn't you just meet them after their holidays?

(Korean)
You still don't know how much of an *attention whore* your son is, do you...?

WHAT, WHAT IS SHE SAYING?!

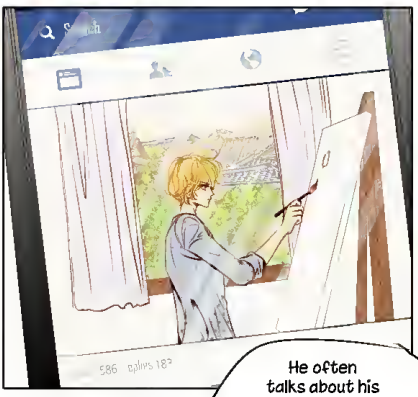
Do you want to see this?
hold out
What is this?
I don't do things like this...

HUH?!



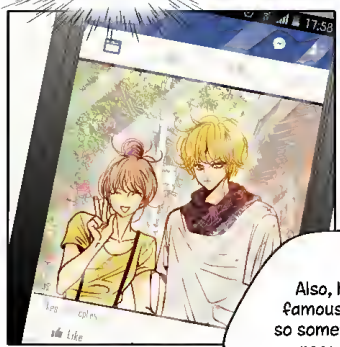
Don't you know Allen does a lot of SNS and having fun with it?

THESE PHOTOS ARE...!

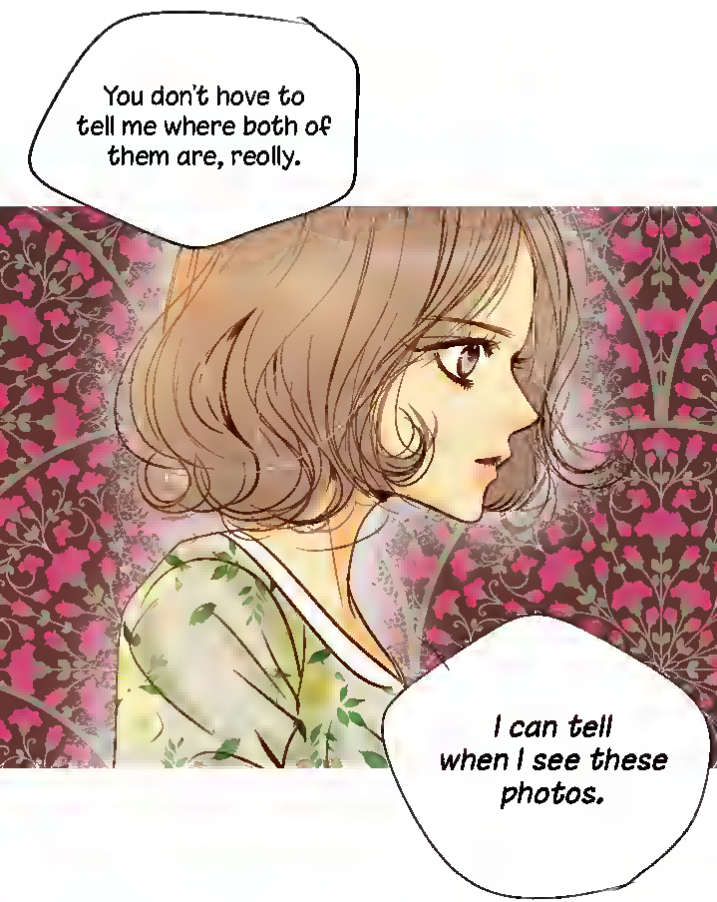


He often talks about his normal life and artwork. When you do that, you naturally expose yourself very much.

This asshole is really...?!

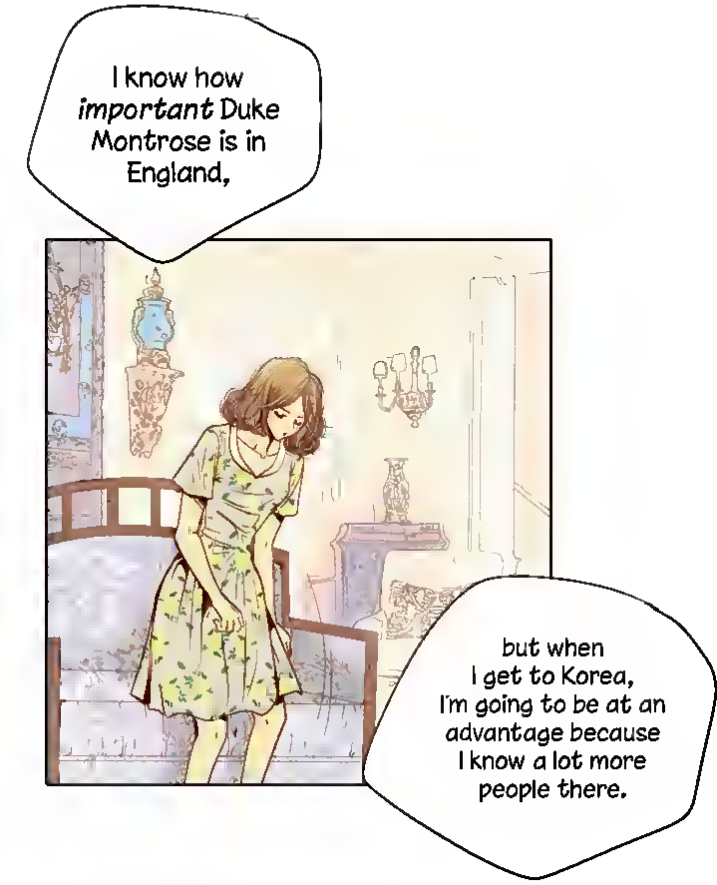


Also, he is quite famous in England, so sometimes people recognize him.

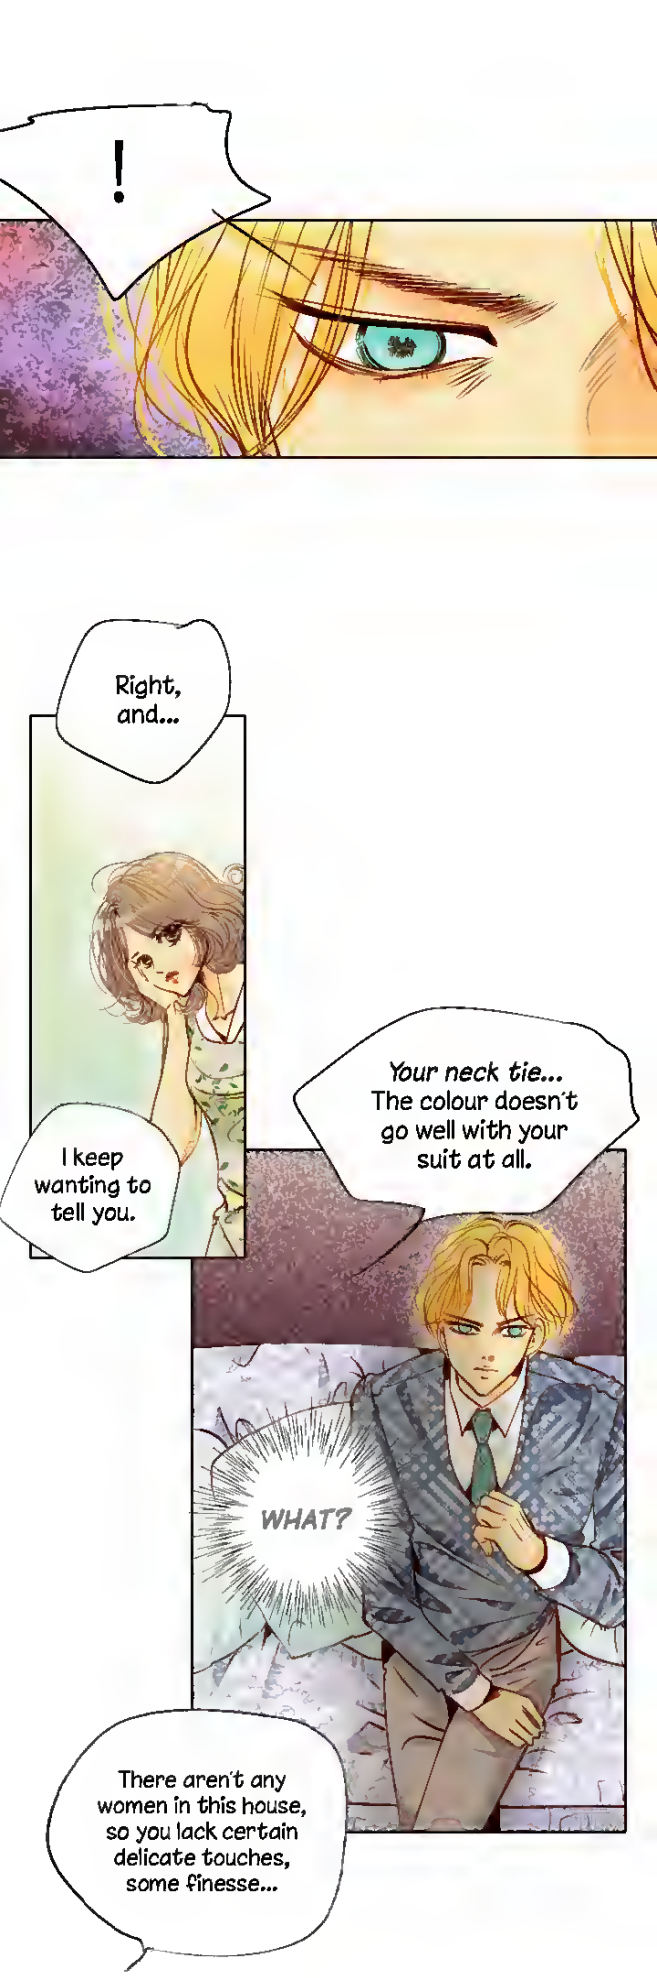


You don't hove to tell me where both of them are, reolly.
I can tell when I see these photos.

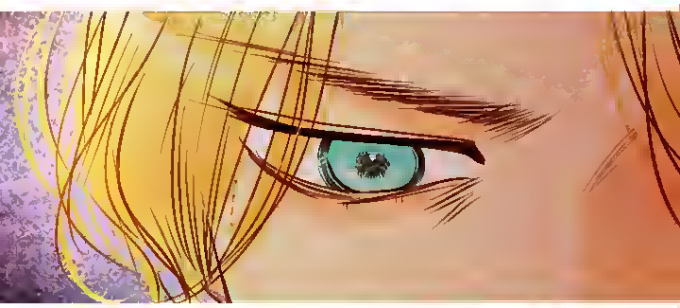
So you really are going all the way there?
Why? Do you want to stop me?



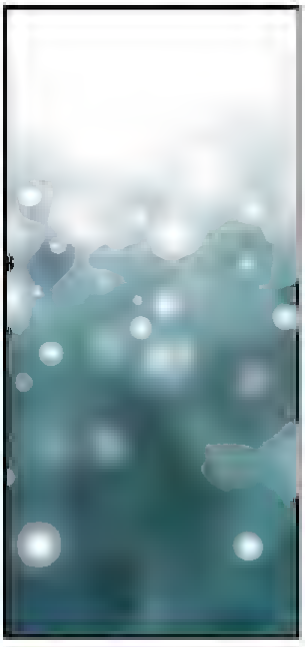
I know how *important* Duke Montrose is in England,
but when I get to Korea, I'm going to be at an advantage because I know a lot more people there.



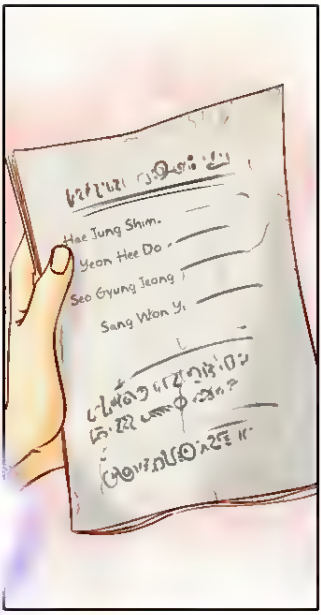
!
Right, and...
I keep wanting to tell you.
Your neck tie... The colour doesn't go well with your suit at all.
WHAT?
There aren't any women in this house, so you lack certain delicate touches, some finesse...



I was just trying
to leave her alone but
that girl...! *Really...!*



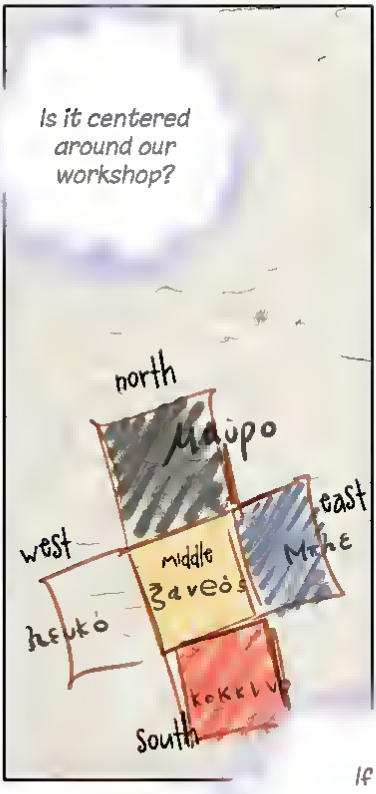
It's strange...



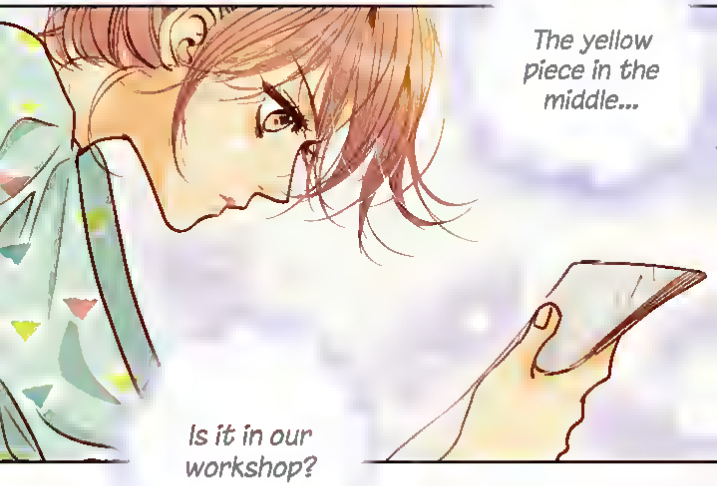
According to the letter, these are the four people whom my mom gave the quilts to.

There are five pieces which I have to connect in the quilt main piece.

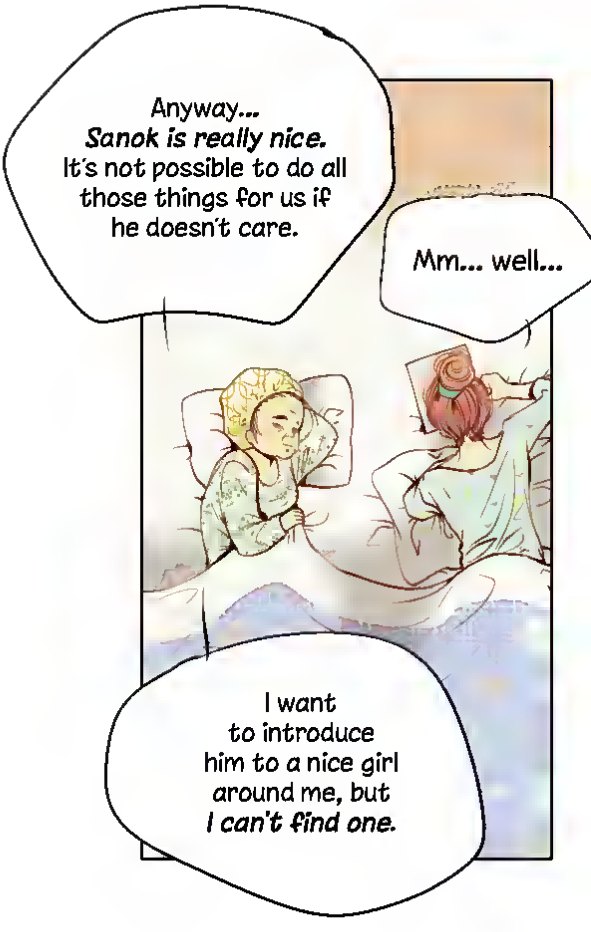
Where should I get the remaining one?



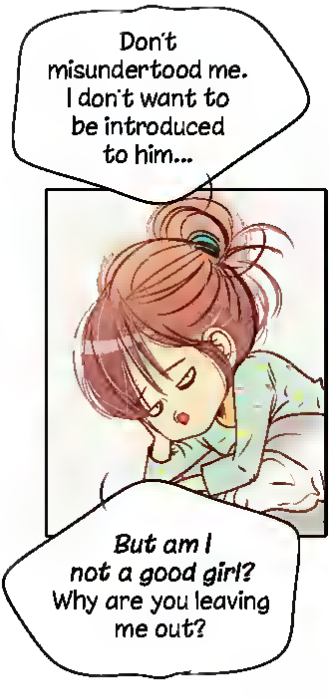
If she gave the quilts to people situated in **North, South, West and East** directions around the house.



Did mother give you any yellow clothes?
No, she didn't...
KYACK! When did you get that out!?
This is made in the USA and so it moisturizes my skin really well.
Who told you to put it on?!
PUT ON
PUT ON
GIVE IT BACK! WHY ARE YOU APPLYING SUCH EXPENSIVE LOTIONS ON YOUR ELBOW! YOU CAN PUT CHEAPER THINGS THERE!
GRAB
YOU ASSHOLE. YOU ARE BEING EVIL! HOW MUCH WILL I BE USING ANYWAY?! IT'S JUST ME!

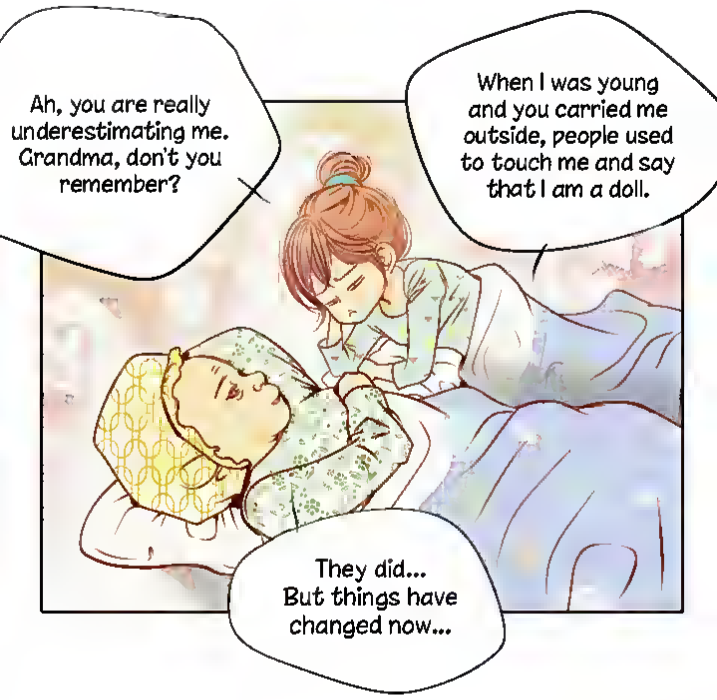


Anyway...
Sanok is really nice.
It's not possible to do all those things for us if he doesn't care.
Mm... well...
I want to introduce him to a nice girl around me, but *I can't find one.*

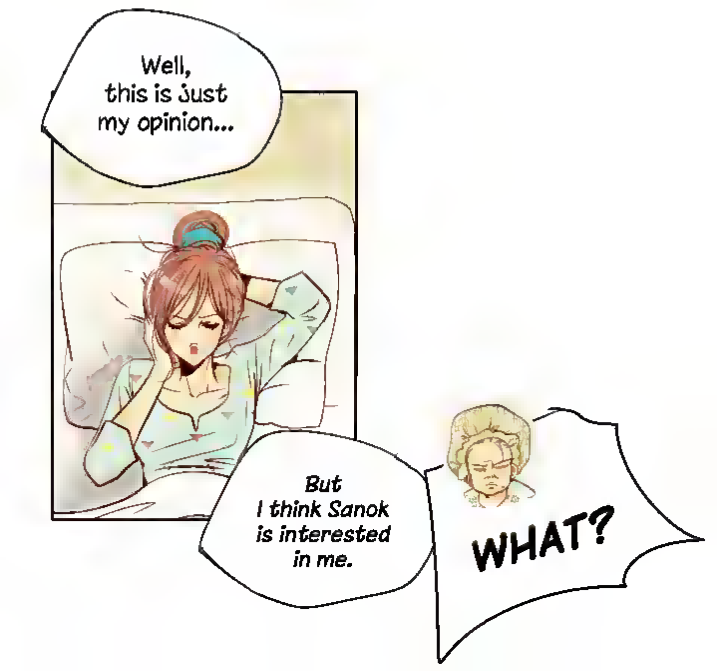


Don't misundertood me. I don't want to be introduced to him...
But am I not a good girl? Why are you leaving me out?

GRIN
You?



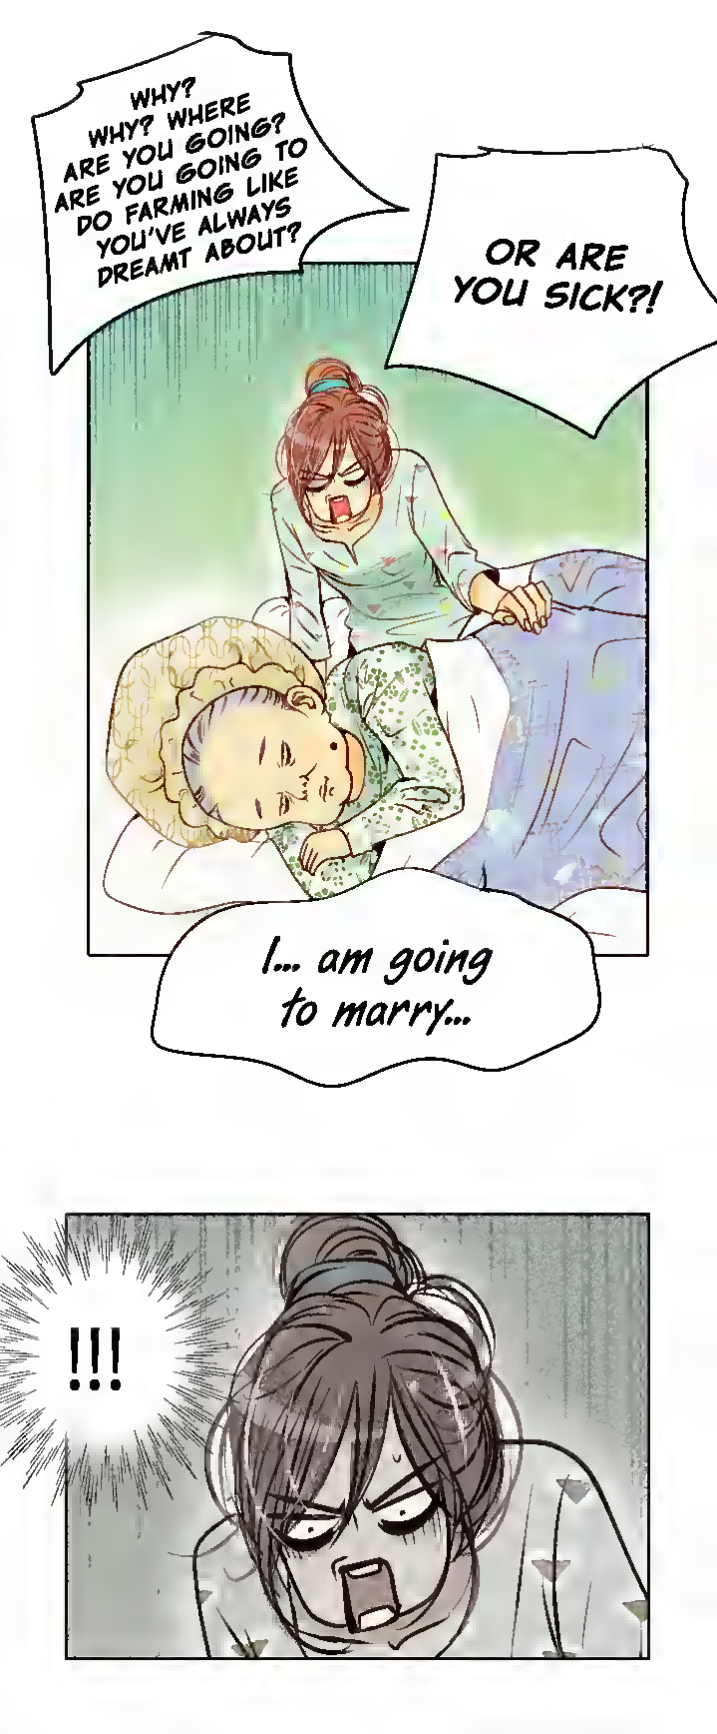
Ah, you are really underestimating me. Grandma, don't you remember?
When I was young and you carried me outside, people used to touch me and say that I am a doll.
They did... But things have changed now...



Well, this is just my opinion...
But I think Sanok is interested in me.
WHAT?

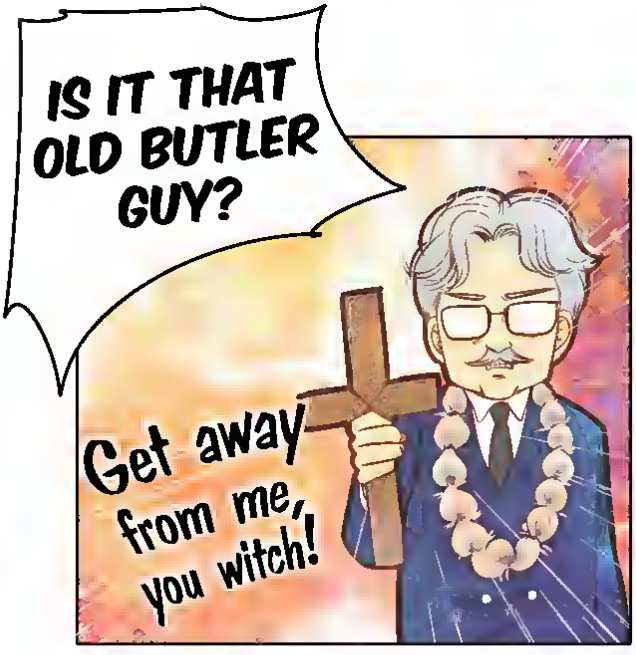
He buys me dinner because I am starving at night,
he travels from afar and come when I ask him to come,
and now, these cosmetics... Doesn't it seem like it?
It's because he pities you. You are skinny and look like you won't even get porridge daily. Your skin is in a bad condition, and you look really pitiful.
Stop your wild imagination, and Midan...

Why?
You...
Can you live without me?

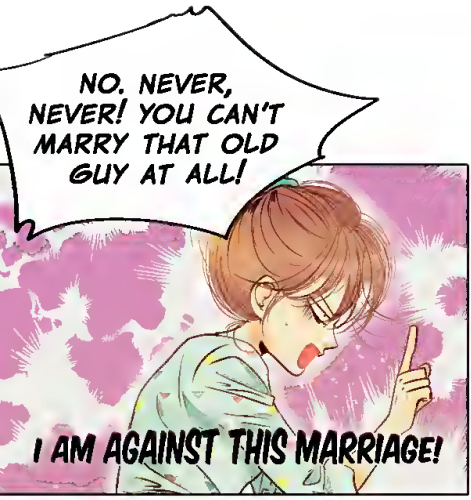


WHY?
WHY? WHERE ARE YOU GOING? ARE YOU GOING TO DO FARMING LIKE YOU'VE ALWAYS DREAMT ABOUT?
OR ARE YOU SICK?!
I... am going to marry...
!!!

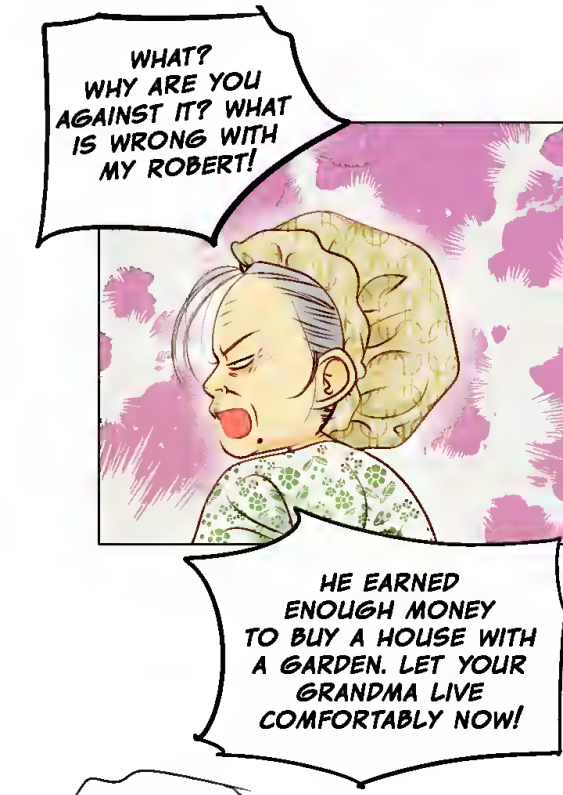
WHAT? WHO?! The old guy at the supermarket? The Hooper old guy?
No, it is an international marriage...
In-International marriage...? Wait...



IS IT THAT OLD BUTLER GUY?
Get away from me, you witch!

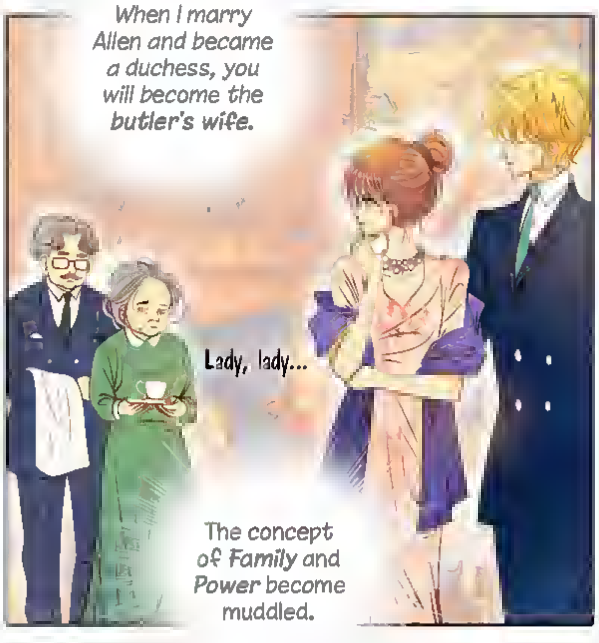


NO. NEVER, NEVER! YOU CAN'T MARRY THAT OLD GUY AT ALL!
I AM AGAINST THIS MARRIAGE!



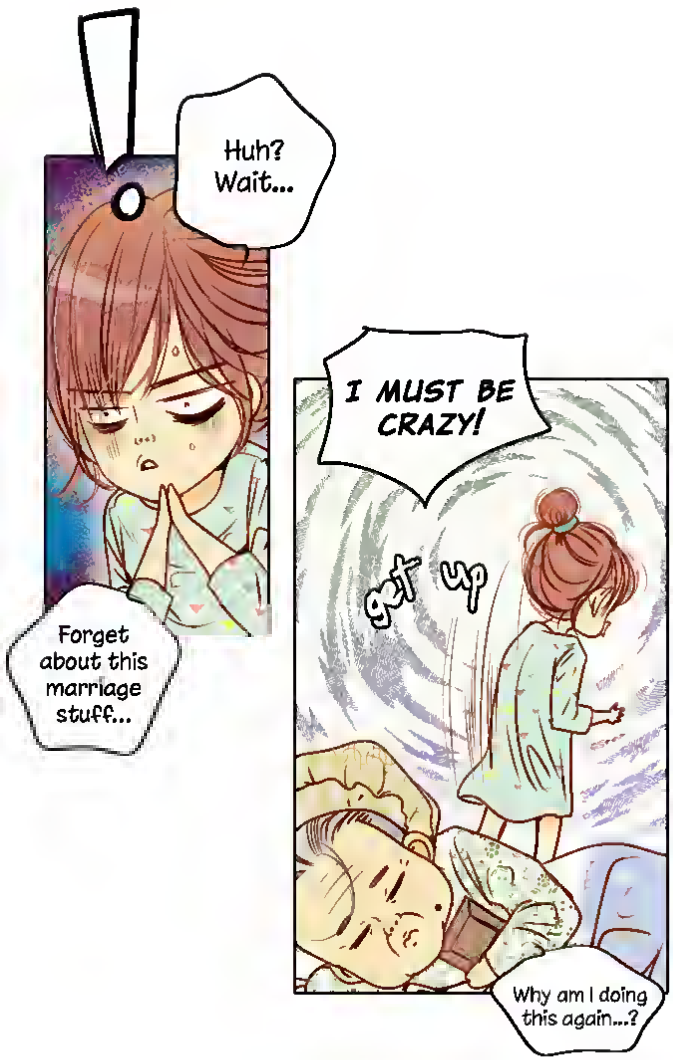
WHAT? WHY ARE YOU AGAINST IT? WHAT IS WRONG WITH MY ROBERT!
HE EARNED ENOUGH MONEY TO BUY A HOUSE WITH A GARDEN. LET YOUR GRANDMA LIVE COMFORTABLY NOW!

If you marry that old guy, it's going to mess up my relationships with the people I know now.
What do you mean by relationships... Is he from an important family?

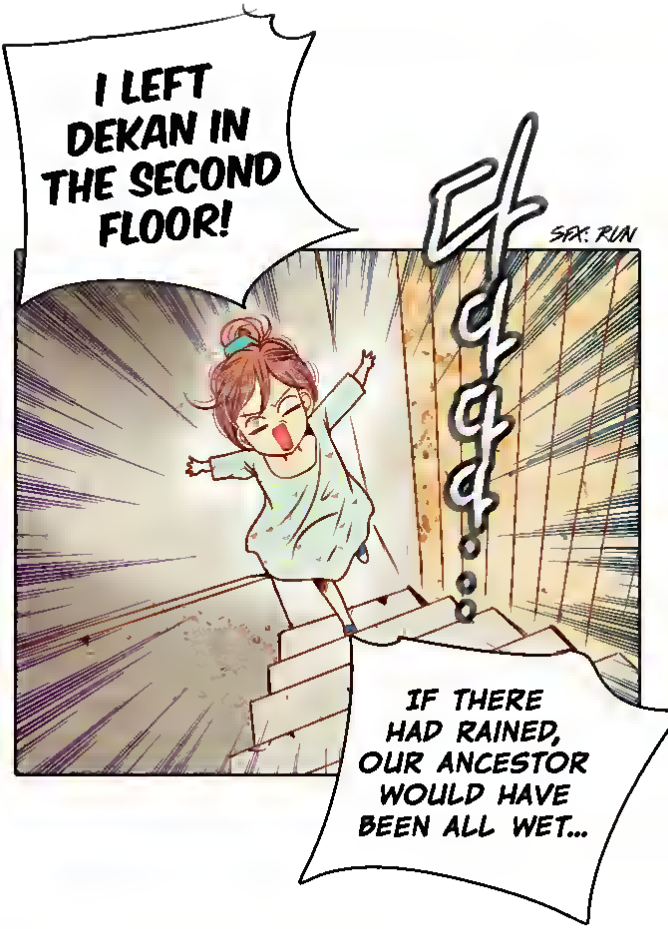


When I marry Allen and became a duchess, you will become the butler's wife.
Lady, lady...
The concept of Family and Power become muddled.

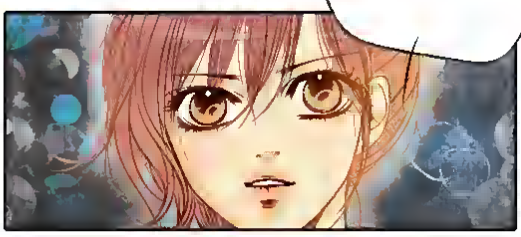
This is too shameful to say, so she is only thinking about it...



Huh? Wait...
Forget about this marriage stuff...
I MUST BE CRAZY!
get up
Why am I doing this again...?



I LEFT DEKAN IN THE SECOND FLOOR!
SFX: RUN
다다다...
IF THERE HAD RAINED, OUR ANCESTOR WOULD HAVE BEEN ALL WET...



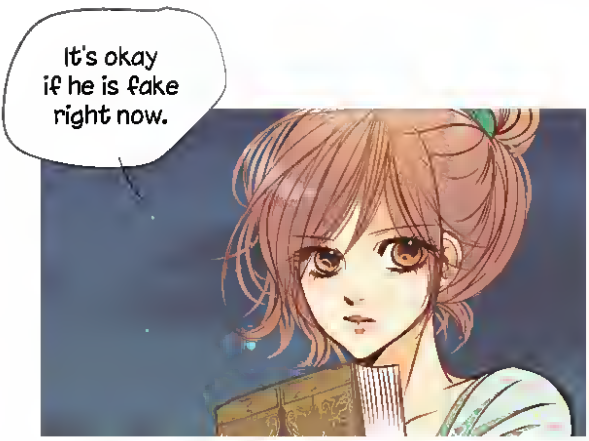
Ah!
It's here!

Still, What could have happened if somebody came in the dark and tried to take it...?
When you touch it, your bones get broken, so it will never be stolen. That is good.

It's a mistake.

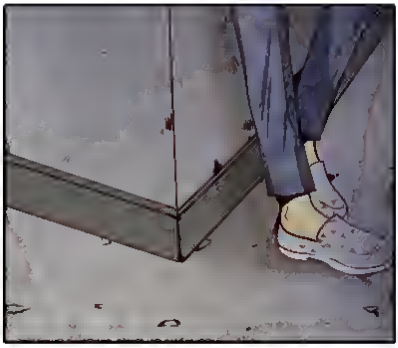
A mistake that you like him.

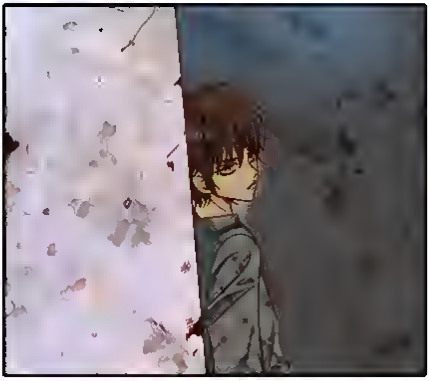
You will meet him someday.



It's okay
if he is fake
right now.

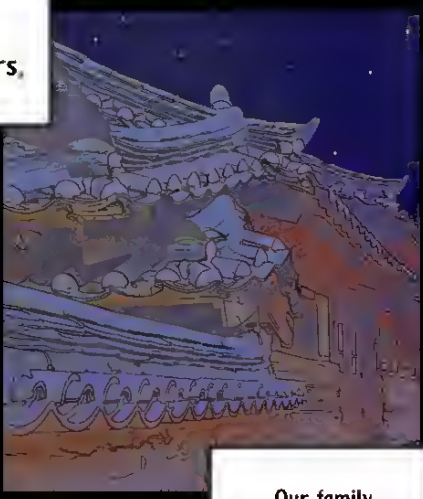
Good night,
Allen.





Even if he's fake...
She is okay with it...?

For a few hundred years,

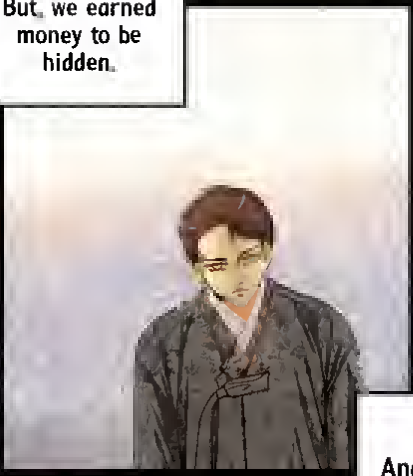


Our family has been greedy, for money and power.

The reason why people want to earn maney, power and fame is...

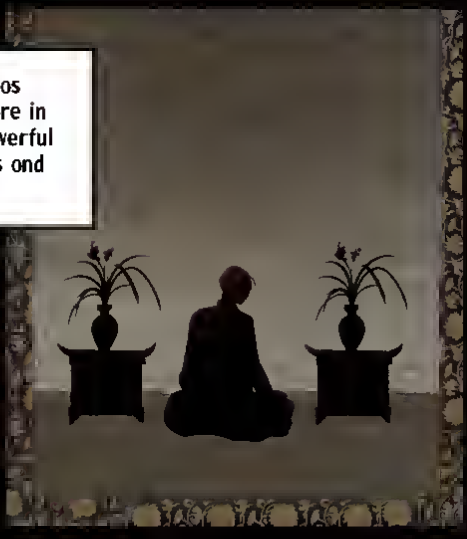
Because it's their instinct to show themselves off to everyone else.

But, we earned money to be hidden.

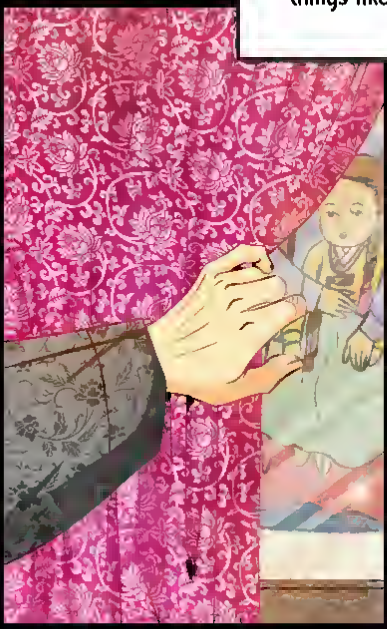


And for the power to be concealed.

So we existed as the people who are in the shadow of powerful people in politics and business...



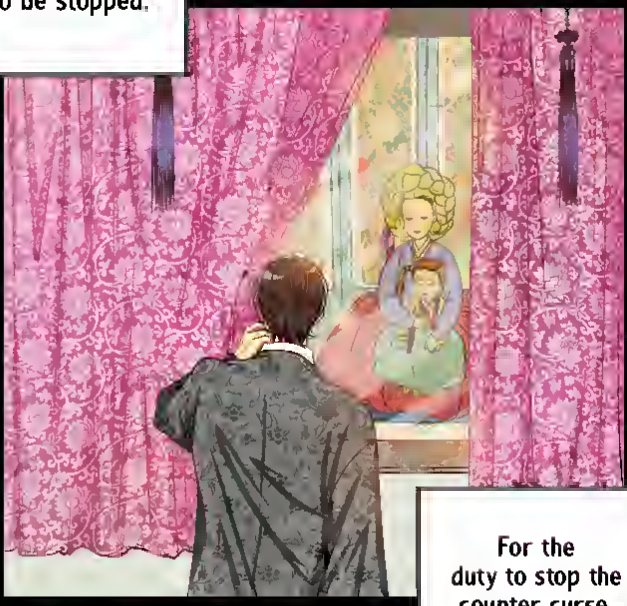
I can't give my son my surname or normal things like that.



Dad, why is my surname different from yours?

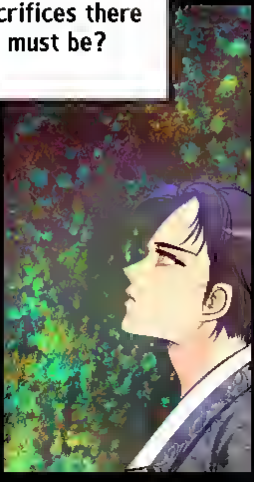
Why is my father the husband of my nanny?
You know the rules of this house, Sanok...

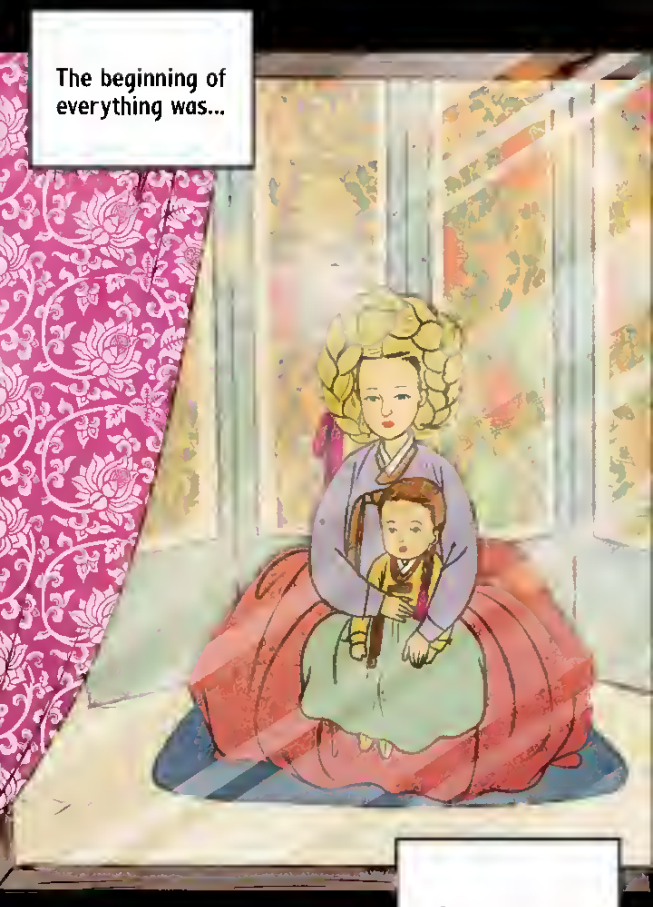
For the curse to be stopped.



For the duty to stop the counter curse.

How many sacrifices there must be?



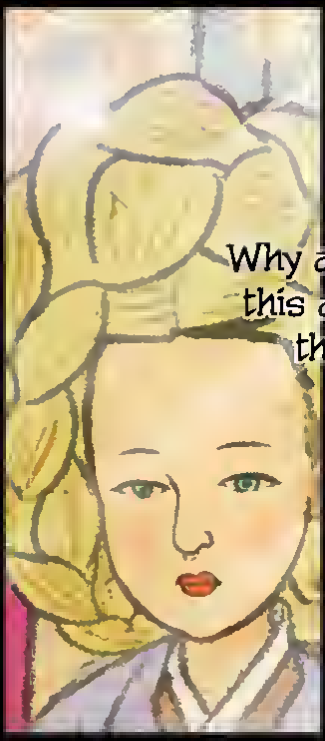


The beginning of everything was...
Irene, you...

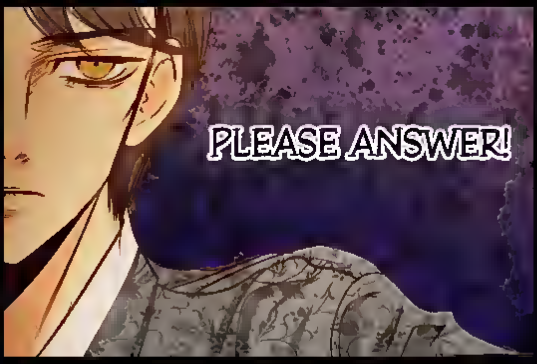
The promise thot I hod with my ancestor when I was young...

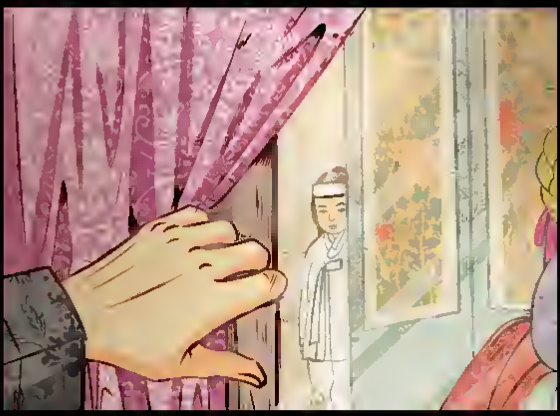
Far a pramise like that, there has ta be a difficult destiny far us for hundreds af years.

My ancestors, my father and me, my son and his son...



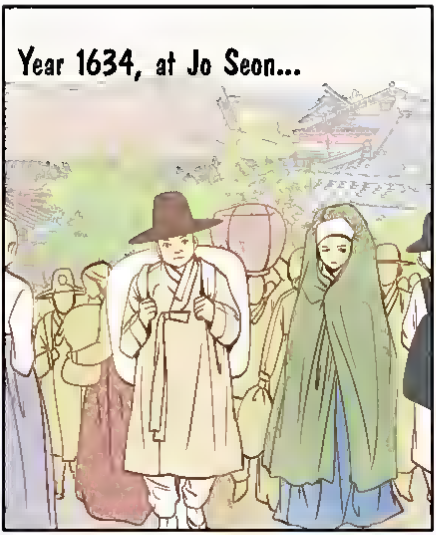
Why are we living like this and fighting for those women?





He had to hide himself
in a place like this...

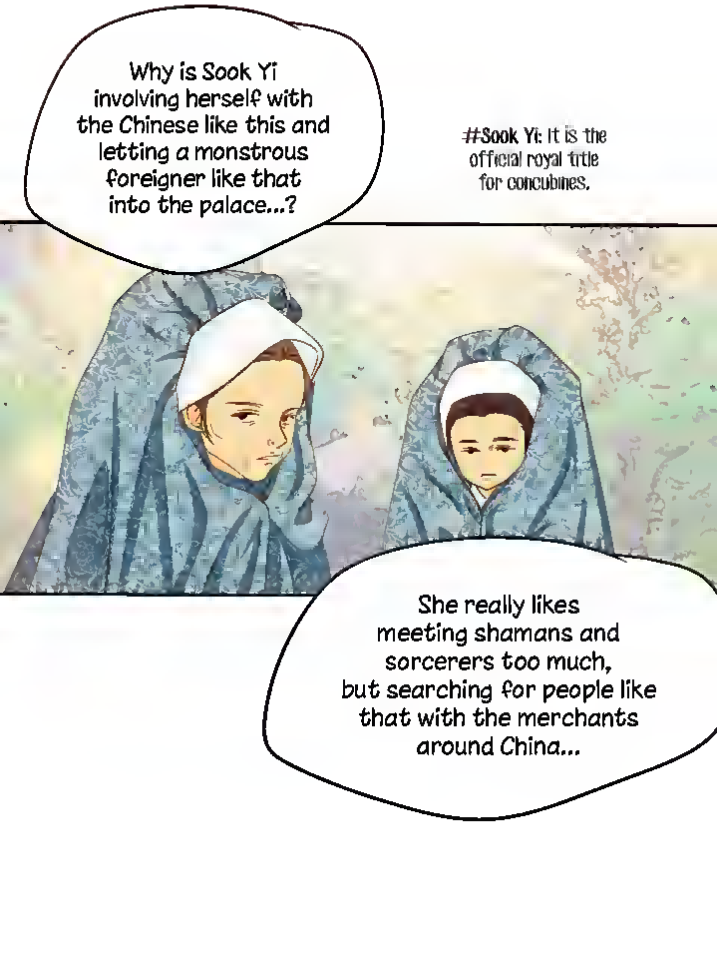
My ancestor...!



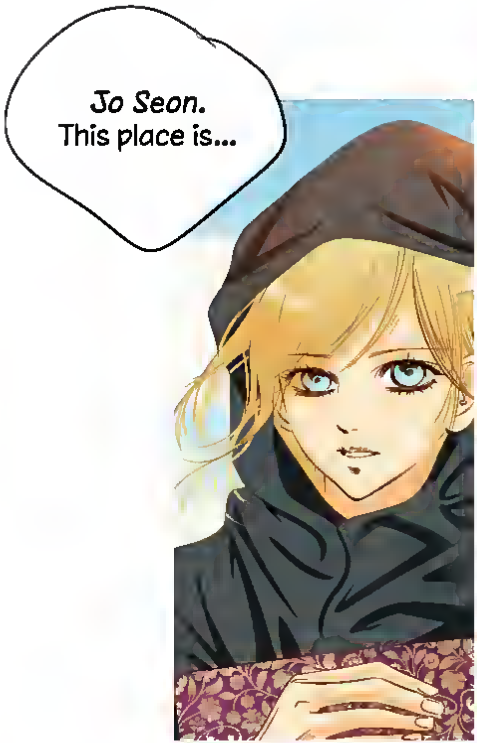
Year 1634, at Jo Seon...

I knew as soon as I stepped on the land,

I dreamt of this place when I was young.



Why is Sook Yi involving herself with the Chinese like this and letting a monstrous foreigner like that into the palace...?
#Sook Yi: It is the official royal title for concubines.
She really likes meeting shamans and sorcerers too much, but searching for people like that with the merchants around China...



Jo Seon.
This place is...

Definitely, for me...

For me and my descendants.

It was my destiny to come here.

The place where I will always live...!

To be continued...
